---

---

If apexx is interested in buying, consigning or trading for your equipment, we will respond within 4-5 business days. (Additional information including digital pictures may be requested).

Ship your equipment to:

Acquisitions Department  
apexx Veterinary Equipment, Inc.  
14 Inverness Drive East, Suite C124  
Englewood, CO 80112

**Important information to help you:** Package your equipment thoroughly. Avoid using UPS or the US Postal Service if possible. ALWAYS buy loss/damage insurance with the carrier of your choice. Be aware that insurance will not reimburse for damage that is determined by your carrier to be a direct result of inadequate packaging. apexx takes NO RESPONSIBILITY for freight damage while in transit to our facility.
