

Conquest One, Inc.

The Veterinary Equipment Corporation

Job Description - BioMedical Equipment Technician

Position Title: **BioMedical Equipment Technician**
Classification: **Full-time employee (W-2) (hourly)**
Reports to: **Senior Management**
Location: **Englewood, CO 80112**

About Us:

Conquest One, Inc. is the umbrella corporation for one of their distribution companies, Apexx Veterinary Equipment, including our exclusive, branded product line, Leading Edge Veterinary Equipment.

We are the “go to” source for high-quality veterinarian equipment offering everything the doctor will need for their successful veterinary practice. Conquest One, Inc./Apexx Veterinary Equipment offer more than just a piece of the veterinary equipment puzzle – we offer *complete solutions* for every aspect of veterinary equipment to give the veterinarian complete peace of mind. Visit our web site for additional information (<http://apexx-equipment.com/>).

About the Position:

In this critical position, as our BioMedical Equipment Technician, you will be responsible for the evaluation, diagnosis, repair, reconditioning and/or QC of clinical medical equipment involved in the treatment, care, diagnosis, management, and monitoring of veterinary patients.

You will need a strong technical background in Electronics or Biomedical Equipment Technology. In this position you will to be familiar with electronics and mechanical equipment located in our full-service medical equipment repair center.

An example of the equipment you may be called upon to evaluate, diagnose, repair, recondition or QC:

- Centrifuges / Infusion pumps / Microscopes / Pulse Oximeters / Vital Signs Monitors / Patient Warmers / Surgical and Therapy Lasers.

We strongly believe in promoting from within, have many examples of actual employee career advancement and offer you the same opportunity for rapid advancement. You will be working closely with management to develop and implement a plan for your department and personal growth.

About You:

Requirements:

- Aptitude and working knowledge of electronic and mechanical equipment
- 3 – 5 years’ experience as a Biomedical Technician or in the electrical / mechanical field
- Ability to work weekdays 8:00 AM to 5:00 PM with O/T available (an occasional evening or weekend)
- Valid Colorado Driver’s License and access to your own reliable transportation

Benefits:

- Paid time off – vacation and holidays
- Retirement - 401K
- Health, Vision, Dental, Life. Short & long-term disability available
- An opportunity to grow personally and professionally

We are proud to be an Equal Opportunity Employer and celebrate Diversity in the workplace. For additional information regarding this position and Conquest One, Inc./Apexx Veterinary Equipment please feel free to contact our recruiter Elaine (Elaine@conquest-one.com) for more detailed information.
